

The Different Parts of the House

A gate	a fence	a lock
a wall	a front/back garden	a roof
a chimney	a French window	a sash window
a bow	a window	a shutter
a blind	a shade	a bedroom
a guest spare room	a study	the toilet
the bathroom	a kitchen	the ground floor
the first-floor	stairs	an elevator
a floor/story	a loft	an attic
a cell	a basement	room key
neat and tidy	snuggly/cozy	convenient
dusty	messy	to mow the lawn

And now the dialogue

Man:	We live in a one-bedroom apartment.
Woman:	Our windows look out onto a busy street.
Man:	Are you coming down stair or do you want me to come up stairs?
Woman:	Neighbor watch schemes are strong in this area.
Man:	We're having the attic converted.
Woman:	Their living room is warm and cozy unlike their living room.
