And now a dialogue

Man:	Don't worry, I'll make note of it.
Woman:	Guess what! I'm getting married. Fancy that.
Man:	I can't figure it out. In my opinion it doesn't make sense.
Woman:	It rings a bell.
Man:	I can't keep track of all the things you do.
Woman:	It slipped my mind / my memory.
Man:	To my mind, to me, in my opinion it should have never happened.
Woman:	The unthinkable happened.
