to check in
to sail

And now a bit of conversation

Man: Buckle up. Fasten your seat belts, please. Even if you're sitting in the rear.

Woman: Yield and give way to traffic on the left.

Man: I'm in the wrong lane.

Woman: Dual carriage way, four-lane road ahead.

Man: I've run out of petrol. Could you give me a lift to the next filling station?

Woman: Does this hire agreement offer unlimited mileage?

Man: He was booked again for speeding yesterday.

Woman: Can you fetch me from saint pancrim station at 10?

Man: What time does the next ferry sail?

Woman: We'll have to get up early. The check in is 3 hours before the time of departure.

Man: Does this price include airport taxes and insurance?

Woman: This piece of luggage is too big. It will have to go into the hold.

Man: Could I have a window seat, please? I'd like to take pictures.

Woman: Our nonstop flight to Tokyo was exhausting.
