## And now a bit of conversation

Woman: I prefer country life to life in the city.

Man: Birdwatching is his favorite pastime.

Woman: If you'll excuse me, I have other fish to fry.

Man: Wake up sweetheart, the early bird catches the worm.

Woman: There's something fishy about this business.

Man: The sea was so rough we couldn't go out to sea. The next day it was smooth, and the crossing was plain sailing.
