biased
trivial
to quote

quality press
a journal
a monthly
a copy

a heading
a classified ad

a photographer
significant
to report on
to censor

And now a dialogue

Man: I read it in the newspaper this morning.

Woman: This information was giving full page coverage in the dailies.

Man: The story I read in the paper said the candidate intended to withdrawal.

Woman: There's a small item about her on page 14.

Man: There's not much about the event in the media.

Woman: The accident wasn't even reported in the papers.

Man: I enjoy reading the glossies but they are awfully expensive.
