Speech	a speech	a mother tongue
a native language	a foreign language	slang
a conference	election	a meeting
a statement	a hint	gossip
high pitch	shrill	articulate
talkative	hum	mute
forward	colloquial	to utter words
to raise one's voice	to speak up	to cry out
to shout	to howl	to yell
to cheer somebody	to cheer at somebody	to boot
to mutter	to stutter	to recite
to talk	to say something	to mean
to tell somebody something	to express something	to chat with someone
to start up	a conversation	to remark
to answer	to reply	
to point out that	to mention something about that	
to imply something	to add	to convince
to hush	to keep one's voice down	to shut up
