the upper classes  
the working class  
a salary  
an salient seeker  
outcast  
a shelter  
privileged  
average  
to trust  
to depend on

## And now a bit of conversation

Woman: Their living standard has improved.

Man: There's civil disparity between the salaries of men and women.

Woman: Would you say that affirmative action would help to bridge the gap between the haves and the have nots?

Man: I want something better than just keeping up with the Jones.

Woman: She has been in dire straits since her husband died.
