

To Visit

A resort

to call at
to unpack

a camp site
a vacancy
full board posh
to go sight-seeing
to check out

an inn
a single room
to escape
to check in

And now a bit of conversation

Woman: Would you have accommodation for two people for the weekend?

Man: Accommodation can be cheaper if you book online.

Woman: I'd like to go somewhere off the beaten track.

Man: They offer tailor made wildlife journey.

Woman: The Taj Mahal is really worth the visit.

Man: Next time I'll travel light.

Woman: We stayed in a beautiful four-star hotel. We had a room with a sea view and with derricks.

Man: The sign said no vacancies so there's no need to inquire.

Woman: Do you have any vacancies for next month?
