## And now a bit of conversation

Woman:	We live at number ten.
Man:	I enjoy shopping at the new pedestrian precinct.
Woman:	She lives two blocks away from here.
Man:	There's a new agent shop just around the corner.
Woman:	Can you tell me the way to the post office, please?
Man:	Turn right at the next crossroads, its right by the school.
Woman:	I can't stand the hustle and bustle of big cities.
Man:	Keep complaining about the wind of the traffic. They should move out.
