

## WHICH

### A LITTLE ANIMAL QUIZ

- Wentworth: Today, let's have a little animal quiz! Are you ready?
- Sarah: Yes, I am.
- Wentworth: Question number one: \*the French eat them but the English don't and call the French that.
- Sarah: Frogs!
- Wentworth: You find this animal which lives on the beach. It walks sideways.
- Sarah: It is a crab!
- Wentworth: This insect lives with its queen and community which makes honey.
- Sarah: Bees.
- Wentworth: This animal which is said to be man's cousin eats bananas.
- Sarah: Monkeys. They are so cute.
- Wentworth: This animal which is a lion's cousin eats mice.
- Sarah: This is the cat.
- Wentworth: This tasty fish which has a pink or orange skin, is often smoked.
- Sarah: Salmon
- Wentworth: These 8-legged animals which are scary, have a super hero.
- Sarah: Spiders. How I hate them!
- Wentworth: Haha... What about this insect which you hear all summer in the south of France?
- Sarah: Cicada
- Wentworth: Here is our number ten, the last one. This dangerous fish which has big teeth or jaws attack swimmers in movies more than in real life.
- Sarah: Sharks
- Wentworth: Very good! Is there one you're afraid of, Sarah?
- Sarah: Actually, I'm afraid of mice, bees. I'm scared of all flying bugs or insects.
- Wentworth: Is there any animal you like?

Sarah: Donkeys. They look like little chubby horses. Haha

Wentworth: You're right! haha
