to blend
to warm up
to boil
to burn

And now a conversation

Man: Preheat the oven to 180 degrees Celsius, 350-degree Fahrenheit.

Woman: How long should I allow it to simmer?

Man: Grate the carrots and put them in a sauce pan with vegetable stock and butter.

Woman: Dinner is ready? I laid/set the table for four.

Man: Shall I clear the table?

Woman: I'll put the kettle on for some tea.
