## And now a dialogue

Woman:	Stay tuned the news is next after the break.
Man:	Can you turn the tv down please I'm trying to work.
Woman:	What's on tonight? Absolutely nothing, as usual.
Man:	They keep arguing over which program to watch.
Woman:	I'm not going to watch the series tonight. It's a repeat.
Man:	There certainly more to life than being a couch potato.
Woman:	We need to buy a new tv set. We'd like to get a wide screen tv.
