

International Relations

The UN/the United Nations
an ego
scarcity
emergency relief
fair trade
to run into debt
to deal out to relive

a power
doctors without borders
a plight
a project
scares
to intervene

an embassy
affluence
help/aid
a scheme
plentiful
to dispatch

And now a bit of conversation

- Woman: OXFAM, the oxford committee for fem and relief, provides training for farming methods in poorer countries.
- Man: The metropolises of the Philippine countries are often crowded.
- Woman: Globalization has tended to aggravate inequalities.
