Dialogue:

Sarah: I think John was wrong not to take that job he was offered, don't you?

W: Oh I agree. I mean, it probably wasn't very well paid, and I suppose he's still hoping for something better, but in my opinion, he'll be lucky if anything else turns up.

Sarah: I have exactly the same feeling. I couldn't have put it better myself. After all, you can't afford to be too choosy these days, can you?

W: You're right there Sarah. Not with so many unemployed and everything. There aren't all that many opportunities around. You've got to take what you can get.

Sarah: yes, that's it. You took the words right out of my mouth. More than likely he'll regret this decision in a week or two.

W: it may turn out to be the biggest mistake he ever made. In my opinion he needs the experience. I think he's aiming too high.

Sarah: I couldn't agree more Wentworth but in the end, it remains his decision.
